

## Participate! “Put your hand up and get involved!”

In our school it is really important that children and their parents are involved in the life of the school and there are lots of ways that children can participate. For children these include

Being active learners and participating in lessons

Being the class helpers for the week

Being on School Council

Being a Sports Ambassador

Being on the Eco Committee

Being a House Captain or Vice Captain

Being a Playground Buddy

Being on the Bike-It Crew

Being in school productions

Being in an after-school club

In June 2012, The Spinney was the first school in Cambridgeshire to achieve the Young People's Participation Award.

Parents can find out how they can get involved in the life of the school by clicking [here](#).
