### Summer Term 1

#### Curriculum Theme

In history we are learning about the Stuarts. You need to complete all of the homework in red. You can choose one other homework, written in black. Your research must be accompanied by some writing and you need to be ready to present your work to the class. Your pieces of homework can be handed in at any time over the half term but your times tables and spellings need to be completed as normal, ready for the fortnightly spellings or times tables tests.

<b>Reading for Pleasure – 10/20/30 minutes every night</b>	Choose an active activity (e.g. ballet, a martial art, swimming, tennis etc.) Write about your activity. Draw a picture or take some photos.	Complete some creative writing about an event that took place during the time of the Stuarts. A poem or a story perhaps.	Write an information book of symptoms and cures for the plague from the time of the Stuarts. Have a go at making some of your own remedies!
<b>Times Tables – Written and Orally</b>	Make a game or puzzle based on the battles that took place during the English Civil War. Write down the instructions on how to play the game.	Research and write about The Gunpowder Plot.	Make your own Civil war armour.
<b>Spellings Lists and Dictations</b>	Your own idea. Remember, you can come up with your own idea for a project. Research it, involve your family, create experiments, have fun!	Write a diary from the point of view of someone living through the Great Plaque (for example a patient or a plague doctor)	Make a plague doctor's mask

*Complete the essential activities every week and choose three or more others to complete each half term.*

*Research, think, plan, make, create, draw, imagine, design, find-out, study, learn, enquire, know, discover, dream . . . .*
